SERVICEMAN'S CORNER:

Hello, fellows. Coincidence are a funny thing! For the first time in my so-called "short and unexciting" life--we got TWO letters, on the same day--both from OKINAWA! Never heard from Okinawa before, either. Without further ado--

OKINAWA, Oct. 1:51

HELLO, there, Reeces!

How is everything coming along? Fine, I hope. I finally found time to drop a few lines to my friends to let them know that everything is running smoothly. Things over here on Okinawa are pretty well fixed up now. I did my share in the 20 months I've been here. We've built this island up to a perfect touring spot for people who love to travel. I read Jim Wright's letter a few months ago, and I'm sure sorry he had to go to Korea--he was one of my best buddies. Being that he also gets your paper, I will say this to him: "Hi, Jim. How are things going over there? We got a couple of WAC detachments over here--wish you were here, too. How about dropping me a few lines? Hang on, Jim--in a few months I will be over to help you out!"

Well, Reeces, I guess this is it--so until later, take good care of yourselves.

Sincerely, JERRY CROWLEY.

OKINAWA, Oct. 2, '51.

Hello, Reecy:

Here I am--6000 miles from San Francisco, stationed on the Great Island of Okinawa--better known as "THE ROCK". The Island is 70 to 80 miles long, and 3 to 10 miles wide. It has a population of about 60 thousand, and I'm telling you, these people are two hundred times as busy as we are! I went down to the beach the other day--the people live in little paper and grass huts. It's nothing to see a little woman, about four feet tall, walking down the street with a 200 lb. sack of potatoes on her head, a baby on her back, and lumber in each hand! I've never seen anything like it in all my life!

We were fifteen days at sea, and I sure enjoyed the trip across the ocean. (It was like old times, when I was in the Merchant Marine). About 6 days after we left San Francisco, we hit the tail end of a typhoon and there sure was a lot of sea-sick boys on that ship! The ship did everything but stand on end, and it was better than riding the Big Dipper at the beach!

Well, I could go on and tell you things about this place all day long, but I've got about 15 more letters to write, so I'll bring this to a close, and leave a little bit to write about next time. Tell all the kids I said "Hello!"

Your everlasting friend,
HERB GAGNIER.

Well, there you have it. Two darned nice letters from Okinawa. Wonder if these two fellows

will be able to locate each other if I mention that Jerry's APO number is 331, and that he's PFC GERALD A CROWLEY, of Battery A, and that Herb's APO number is 235, and that he's CPL HERB D GAGNIER, with the 11th Mtr. Trans. Sq.--Jerry is in the Army, while Herb is with the Airforce. There now--can you locate each other with that much info?

We've had so much bad news and excitement around here this past weekend, that I don't know where to begin. You will just have to read the whole paper to get all of it, okay? (I'm speaking about the fires and deaths here in the past three days.) We have no more Serviceman's News for this column this week, so will close for now.--As ever,
YE EDITOR.

THE JUNIOR CITIZEN:

There was a beach party last Sunday night, October 7th, at Sandy Beach in South City. Mr. and Mrs. Leon Durham chaperoned the affair, which was really swell of them. Some of the kids attending included Blanch and Carol Chapman, Benny Carvalha, and his buddies, Don and Bob--Sharon Storck, and yours truly.

The football game played last Sunday at McLaren Park was very good football, but the Brisbane boys lost 14 to 6. But give them a chance--they'll win a game yet!

Hoy, kids! Don't get impatient over the dances that are to be held twice a month at the Legion Hall for the under-twenty-ones!--there will be a meeting around the fifteenth of this month to discuss the full details of the Dances. We should all attend this important meeting. Yours 'till next time--

---BOB FOGLEMAN--10/10/51

LOCAL THEATER TO SHOW GUARANTEED PICTURE:

Bob Hutsell, Manager of the Brisbane Theater, is so enthused about his showing of "BATTLEGROUND", starring Van Johnson, John Hodiak, George Murphy, and Ricardo Montalban--next Sunday, Monday, and Tuesday, along with "Ambush" starring Robert Taylor--that he has placed a guarantee on BATTLEGROUND. He is taking this means of assuring you that if you are not satisfied with BATTLEGROUND, you may ask for your money back, and you will get a refund promptly! He claims to have seen BATTLEGROUND at least 20 times himself! It MUST be good!

TWO QUIT BROADMOOR POLICE:

Officers Albert DeLucci and Louis Avanzino are leaving the Broadmoor Police Department to go into business for themselves. Louis Avanzino lives at 244 Sierra Point Road, in Brisbane.

SUPPLEMENT PAGE (because of this week's extra amt. of news)

REPORT FROM JEFFERSON UNION HIGH SCHOOL (late item):

Parent-Child Relations will be the title of two classes to be started in the evening program for adults at the Jefferson Union High School.

A class for the parents of children below the high school age will meet each Tuesday from seven to nine o'clock, beginning October 16th.

On Thursday evenings the discussions will be primarily for parents of High School students and others. This class starts October 18th.

These classes will meet in room 11 of the main building and will be taught by Mr. John Ivan. Topics for the eight discussions planned for each group were worked out in conference with representatives of the various Parent Teacher Association units. The topics chosen are: (1) Modern furniture and modern parents. (2) It takes time to grow. (3) Building a solid foundation. (4) Some typical behavior problems. (5) How attitudes and habits develop. (7) Making discipline work. (8) Making the grade as parents.

It is hoped that parents will take advantage of this opportunity. They are assured of an interesting and valuable class.

BRISBANE CIVIL DEFENSE COUNCIL JOINS JOINT CITY-COUNTY C D PLANNING BOARD:

The Brisbane Civil Defense Council was asked to take part in the Joint Cities-County Civil Defense Planning Board of the County of San Mateo, and Civil Defense and Disaster Council of the County of San Mateo.

Brisbane was the only unincorporated area represented at the meeting, which was held at the San Mateo County Courthouse on Thursday, October 4th, 1951. Representing the local C D Council was John W. Smith, acting chairman of the local council, and A. E. Kennedy, representing local Wardens.

In regards local Civil Defense, please drop into the Byline office for your free copy of "EMERGENCY ACTION TO SAVE LIVES", reprinted and distributed by the Office of Civil Defense, State of California. This is the official booklet put out by the U.S. Government. This free service is given locally through courtesy of the San Mateo Headquarters of the C.D. Councils of San Mateo County.

During Saturday's big fire here, it was mutually decided by acting chairman John W. Smith and firechief Lou Terry that henceforth, all emergency signals here would be a twenty-second continuous blast on the siren.

JUNIOR CITIZENS TO HOLD MEETING SOMETIME THIS COMING WEEK--IN REGARDS TO TWICE-MONTHLY DANCES AT THE LEGION HALL FOR ALL UNDER TWENTY-ONE.

THIS IS "NATIONAL FIRE PREVENTION WEEK"---(obviously everywhere but in Brisbane!)

THE EDITOR SPEAKS:

Once again Brisbane has hit the head-lines. Last week San Francisco had it's "Bloody Monday"--with four murders. This week Brisbane had it's "bloody Tuesday"--with four deaths, and three fires in four days! According to population figures--that puts Brisbane way out in front of every city in the nation for tragedies per capita! P.S./--Would the party who sent in the wonderful "Anonamous" letter PLEASE send in their name--we would like to print the article--but can't--due to our policy of never printing anything ANONOMOUS--except poetry. ---VE EDITOR

CLEAN-UP CAMPAIGN THIS SAT. & SUNDAY:

THE BRISBANE IMPROVEMENT CLUB needs volunteers on October 13 and 14, to help finish the job of cleaning off the vacant lots now that they have been burned.

The older school boys could be a big help if they would assist in cleaning off the lots and putting the rubbish along the edge of the street, so as not to create a traffic hazard, and in this way the trucks and crews can haul that many more loads away.

Volunteer crews for the trucks are needed and those wishing to give a hand please get in touch with Fred Laing at Laing's Variety Store on Visitation Ave.

We hope you have noticed the good job the firemen have done in not only burning off the lots, but some of the old abandoned buildings as well, and piles of old lumber.

Attendance at the meetings of the Improvement Club is increasing, but surely there are more than forty or fifty people in Brisbane who would like to see improvements made that will beautify our community. Let's get suggestions and volunteers.

The next regular meeting of the Improvement Club will be on Thursday, Oct. 18th, at the American Legion Hall, 8 p.m.

Volunteers will meet about 9:30 in front of the Brisbane Hardware Store on Saturday and Sunday mornings--October 13 and 14th--for the CLEAN-UP CAMPAIGN.

Thanking you in advance for your co-operation---

LOCAL BOY INJURED:

Little two and a half year old Jimmy Vickery fell near Les's Market last Monday afternoon, resulting in a broken leg. Little Jimmy was rushed to the South San Francisco Hospital where his leg was set, and is now hoisted "up in the air" so the bone will set properly. He will be in the hospital for a full month, and a suggestion has been made by Mrs. Golda Fogleman that we manage to send him a small toy each day to keep him interested for the long hours to come. The BYLINE heartily endorses this suggestion.

Jimmy is the son of Mr. and Mrs. James Vickery, of 555 Klamath Avenue.

BRISBANE P.T.A. REPORTS:

The Brisbane P.T.A. has scheduled it's Mother-Teacher teas for two different days due to increase in school enrollment, and for the purpose of giving the individual mothers and teachers a better opportunity of getting acquainted. The lower grade tea will be held on the 16th of Oct., while the upper grades will hold theirs on the 17th. Invitations will be sent out to the individual mothers by the room-mothers, who will act as hostesses at these teas.

Dr. Frances Gulland, of San Jose State College will be the principal speaker at the lower grade tea. She will outline the progress of children in this age group, touching upon some of the behavior end of it. Miss Cecelia Anderson, Associate Professor of Education at San Francisco State College will speak on what schools are doing for upper grade children. Their program and aims will be discussed in the speech. A question and answer period will follow each of these speakers, when they will be happy to answer any questions put before them.

This years' room-mothers are;
8th grade--Mrs. Sam Saunders and Mrs. Carl Pueschel; 7th & 8th--Mrs. George Radoff, Jr.; 7th--Mrs. Harold Woodward; 6th--Mrs. Clarence Ried; 5th--Mrs. Merrill Nelson; 4th--Mrs. Ray Kurtz; 3rd & 4th--Mrs. George Nielson; 3rd--Mrs. Ervin Scott; 2nd--Mrs. DuWayne Bennett; 2nd--Mrs. Cliff Mozzetti; 1st--Mrs. Orry Facchini; 1st--Mrs. Tony Grasso; Morning Kindergarten--Mrs. Frank King and Mrs. Joseph DeMarch; Afternoon Kindergarten--Mrs. John Hughes, and Mrs. Richard Wricht.

MEMBERSHIP DRIVE:

The Brisbane P.T.A. begins it's Membership drive from October 8th thru 19th. During this time membership booklets will be sent home to parents with paper keys for parents to fill out the names on. This years theme is "THE KEY TO AMERICA'S FUTURE--OUR CHILDREN". Mrs. Lila Tranthan is the chairman of this drive.

Anyone interested in child welfare is eligible for membership in this organization. The Parents-Teachers Organization is primarily interested in promoting the welfare of children in every phase of community life, raising the standard of home life, securing laws for the care and protection of children and youth, bringing closer relationship between home and school, securing for children the best advantages in physical, mental, social, and spiritual education.

VITAL STATISTIC: Born to Mr. and Mrs. Arnold Workover, of 264 Kings Road, a son--on September 28th, 1951.

COMMUNITY CHEST RED FEATHER DRIVE STARTS SATURDAY, OCTOBER 13TH, IN THIS AREA.

SURPRISE BABY SHOWER:

A lovely surprise baby shower was given to Mrs. Eddie Roland in September, by Mrs. Hazel Hopper, of 1100 Humboldt Road. There were 22 ladies present, gift-ing Mrs. Roland with many beautiful baby things.

Even more of a surprise will be felt by MR. Eddie Roland, when he reads about the baby shower--when he receives this issue of the Byline, over there in Korea!

NEW YORK VISITORS:

Visiting Mrs. Kay Ivey at her San Benito Road home are Mr. and Mrs. Robert E. Hills and son David, of Brooklyn, N.Y. Mrs. Hills is Mrs. Ivey's daughter, Ruth. Mr. Hills is a Navy Chief, and will report to Treasure Island for duty aboard the U.S.S. Helena.

Mr. and Mrs. Hills, and little David, accompanied by Mrs. Ivey, spent four days in Southern California, visiting Mr. Hills' folks at Laguna Beach and Pasadena. Mrs. Ivey is now back at her bus-driving and passenger-heckling routine. (Dear Mrs. Ivey--did I spell your name right this time? Sorry--I didn't MEAN to!)

COMMUNITY CHEST APPEAL:

Your local Red Feather Campaign Chairman, Mrs. Beth Duncan, of 271 Humboldt Road--has suggested that when the volunteer collector calls at your home, do not be embarrassed if you have nothing but small change to give him or her. "Something is better than nothing" said Mrs. Duncan, "and since this year's quota is \$500.00 from Brisbane--each and every family should contribute what they can in order to reach our quota."

As your publicity director of the Red Feather Campaign--I cannot impress upon you too highly the necessity of reaching this quota. Last week we printed a list of the agencies supported by the Chest. Your dimes and dollars would be worth their weight in gold if the Chest supported just ONE of these agencies.

But there are several--and most of them directly benefit the families right here in Brisbane. The Visiting Nurse, for instance--and the Family Service Agency. Not to mention the Girl Scouts and Boy Scouts organizations. PLEASE HELP--GIVE WHAT YOU CAN--AND GOD BLESS YOU FOR IT!

Remember--the drive starts Saturday, and Sunday, October 13 and 14 of this week. GIVE WHAT YOU CAN. THANK YOU.

Gladys Reece, Publicity Director
San Mateo Co. Community Chest,
Brisbane Area.

REPORT FROM BLAIR'S RANGERS:

At 6 p.m. on Saturday, October 6th,
the Rangers were all set for an overnight
hike, with 26 present for duty. Then the
fire on the hills got too close for com-
fort! The C.O. ordered acting 1st Sgt.
Radoff to have the company unsling packs
and put the rifles in the racks--and get
set to fight fire. We marched to the
firehouse in steel helmets, belts, and
canteens, armed with picks, shovels, axes,
and machetes. Staff Sgt. Souza led the
first squad in, riding a fire truck. Sgt.
Radoff led the second squad, riding a
truck. All non-coms present went with
those two squads to the fire line. The
third squad and Hdqtrs. detachment were
held in reserve at the fire house, with
the C.O. The first and second squads
hereby thank the ladies of the American
Legion Auxiliary for rations issued when
they returned from the fire.

Recent promotions include: Ranger
1st Class Paul Belk, to Corporal--
Willie Gaffard, Dick Hosking, Dale Pouscol,
and James Haddock were promoted to Rang-

FIRE RUNS RAMPANT--THREE DAYS:

Vulcan, the God of Fire, had himself quite a time here in Brisbane--starting Saturday afternoon--and putting the "frosting" on his handiwork with Tuesday night's tragic mattress fire which took the lives of two babies.

Saturday's fire was the brush blaze which put two cities in peril. According to Sunday morning's Examiner--"No houses were endangered"--but they forget to mention that the entire town of Brisbane has burnt entirely to the ground, twice in it's history--just from such brush fires. The Powers That Be saw fit to hold back the usual winds which sweep down the San Bruno mountainsides at this time of the year---and our town was saved. But not before all Brisbane citizens felt that peculiar sinking sensation which envelopes us every time one of those big clouds of smoke come pouring over the top of the hills!

According to the Burlingame Advance, the fire blackened more than 1500 acres, with more than 100 Brisbane citizens pitching in to help put out the fire. Fire departments from South San Francisco, Colma, and Daly City were standing by, while the county fire dept., Brisbane fire dept., and a crew from Tanforan Navy Base put a fire line around the blaze.

According to Lou Terry, Brisbane's firechief, Bayshore's fire dept. had their trucks standing by to answer any local calls which might come in during the big fire. He also wishes to take this opportunity to thank Arlie King, Firechief of Bayshore; to thank Blair's Rangers for their invaluable help during the fire; to thank all citizens and outsiders who rolled up their sleeves and pitched in to help when help was needed--(he said that this was the best cooperation the local fire department has ever received, since he has been in office)--to thank the Women's Aux. Unit of the Fire Dept. who served refreshments to the fire-fighters, as well as the American Legion who offered Ham dinners; to the VFW; and to all other organizations and private citizens who helped. Terry also stated that Nick Guico, recently returned to civilian status from Fort Eustis in Virginia, and on his first day back on the fire department--was taken to the hospital for an injured ankle suffered during the fire. He also wishes to announce that anyone who suffered poison oak rash as a result of fighting the fire may be treated free of charge at the offices of Doctor Guardino.

Sunday night's fire broke out in a different spot on the hillsides--cutting a large circle back of 405 King's Road, with 3 trucks and 35 men working like beavers to put it out. Again--the fact that no wind was blowing saved the nearby houses, and the entire town.

Tuesday night's fire took the lives of two small children when a mattress

smouldered for some time before anyone could locate "where the smell of smoke" came from. Dead are Arne (3½ months old) and Erik (18 months old) Sjolín, sons of Mr. and Mrs. Erik Sjolín, of 160 San Benito Road. The ironic fact remains that if it hadn't been for Saturday's and Sunday's fires---leaving the charred odor of smoke hanging in the valley--someone would have investigated the smell of the smouldering mattress long before the parents of the small children returned to find their home filled with smoke, and two of their three children dead of suffocation.

TWO MORE DEATHS IN BRISBANE:

Besides the two Sjolín children, two other deaths have been reported since Tuesday night. According to the Burlingame Advance, ALFRED TIKKANEN, 77, of 81 San Benito Road, died in his home after a long illness. He leaves his sons, Eino, of Brisbane, and Oliver, U.S. Navy, and a daughter, Mrs. Thelma Ogletree, of Washington state. Final rites are pending at the W.A. COOK & COMPANY chapel in South San Francisco; and--MRS. BENITA TALAMANTEZ, 75, who died on Tuesday in her home at 500 Alvarado, following a long illness. She leaves her daughters, Mrs. Julia Kurtz of Brisbane and Mrs. Dianne Anderson, of San Mateo. Catholic rites will be conducted in the Notre Dame and Lincoln chapel of South San Francisco, on Friday, at 1:30 p.m. Burial will be at Holy Cross cemetery.

DOUBLE FUNERAL SERVICES FOR ARNE AND ERIC SJOLIN WILL BE HELD FRIDAY, AT 1:30 IN THE W.A. COOK & COMPANY CHAPEL AT SOUTH SAN FRANCISCO. BURIAL WILL BE IN THE HOLY CROSS CEMETERY AT COLMA.
